

BRUNO'S DANCE

music: Sascha Schönhaus
lyric: Ann Malcolm

If I could dance once with you
Then we both would take off our shoes.
When I dance once with you
It would be a free kind of style
Without counting or looking
Down at our feet.
You might not call it dancing.
In a circle is how I've seen them waltz
But it looks so confusing to me
And not how I want to move with you.
